HOW WE MEASURED

- Past transactions only: condo rental contracts (Sep 2025–Aug 2026) and resales (Sep 2024–Aug 2026); bulk deals excluded.
- Distances are straight lines from the school's land lot. Rent floor areas come from size bands, so they are approximate.
- Condo figures: URA private residential transactions and rental contracts. HDB: data.gov.sg, Singapore Open Data Licence. Map: © OpenStreetMap contributors.
- Educational content, not financial or property advice. Check MOE's P1 rules for your phase before you decide.
